Re: Powell Road Landfill Site (Huber Heights, OH)

Dear Ms. Martwick:

This is to acknowledge receipt of your letter dated August 19, 1996 requesting information pursuant to Section 104(e) of CERCLA concerning Ohio Bell Telephone Company's potential involvement at the above-referenced Site. Unfortunately, because of the nature of its service, that request was not received by those persons responsible for responding to such inquiries on behalf of the company, myself included, until September 19, 1996.

As a result, it will not be possible for Ohio Bell, d/b/a Ameritech-Ohio, to respond to your request for information within the 30 days contemplated by your request. Accordingly, I ask that you extend the date for Ameritech-Ohio to respond more fully to your request until October 19, 1996.

In order to avoid such complications in the future, please direct any future communications concerning this site to my attention at the address, telephone and facsimile numbers identified above. Thank you for your patience and attention to these matters.

Very truly yours,

Samuel W. Ach
